15) The owner of house No 535 and Sri C B Veerappa having applied to the President for the grant of the three Cornered plot to their Old City Municipal Council as Reported to have Resolved on 28.6.52 whether these lands may be given to the petitioner at an upset price of Rs sixty five According to the petitioner Counsel the price fetches at the Rate of Rs 76/- and hence under Sec 41 (3) of the City Municipalities Act the municipal Council as itself fully competent to dispose of the land The Resolution of the Council as however not Whether enclosed as the proceedings Book has been taken by the Dy C

16) The appeal against the order of the municipal Council as purports to be under Sec 207 of the city Municipalities Act does not deals with the audit of accounts of the Municipality and it is not clear on the which Relevance any appeal to Govt can be preferred under this provision against the decision of the municipal Council on the matter of granting Site which is a municipal property

17) under Sec 418 of the Act the G can under certain circumstances Can suspend the execution of any order or Resolution and one of the dispute to there for the to initiate such an act as it deem lawful

18) It is seen from the Sketch enclosed that there is Real Reason for the grievance of the petitioner in the disposal of particularly the door owned by the Sons other person as he is thereby deprived of the Conservancy Lane thus is however on certain factor

19) Since there does not appear to be any provision of law for the petitioner to appeal in this particular case to Court and the power of suspending on conclusive resolution of Council to the D.C. under Sec 218, the party could have approached the D.C. An personal decision of appealing to Court

20) Order for orders

Chas 14/8/57 21) The Sketch enclosed by the Comm was not clear to know the exact spot under dispute, it is marked in red ink by me in accordance with the description mentioned in the report side of the Sketch Even the spot referred to as C in the report of the Comm cannot be made out in the

25) The Sketch enclosed to Hag
the Record does not show the portion
noted a C in the letter of the Comr
However from the appeal petition presented to

3576 [ad]

Appeal petition of Sri K. Chappa, ? Grant of la
abutting on the Conservancy land adjacent to
house

It is seen that the portion marked B
adjacent to the house of Sri H Kottappa
and not to the House of Sri K. B Veerappa
vide Sketch produced by the Party. Therefore
the portion marked B should have been
given to Sri H Kottappa in all fairness
It is not known what reasons the Asst C
found to give that portion to Sri K-B Veerappa
As per the report of the Conv, the ownership of
between the house of Sri K-B Veerappa and
the Site marked "B" must be in dispute,
and the party Sri H Kottappa seems to be
claiming that portion as his As the Sketch
produced by the Conv now does not give an
idea of the portion under dispute this has
to be ascertained during the arguments of
the Counsels in the Court before the
Hon. Minister

2b) As regards the section under which
Govt can entertain an appeal on the
decision of the Asst C, the lawyer should have
pointed out clearly in the appeal petition

& 3555 & 3557 & 3576/nl

to

el petitioner of Sri Kotrappa - Grant of land
ting on the Conservancy land adjacent to his house

He has not done this. He has to be enquired into during the arguments on this point also as to intimate under what provision of law, he has preferred an appeal to Govt

27) As Govt have already issued a Stay order, a final order has to be passed now According to Section 41 (2) of the Hlths Act, the Hlth Off is competent to grant sites costing Rs 2000 and less Here the Hlth Off has not exceeded their power Therefore viewed from this standpoint, the action of the Hlth Off is not against the provisions of law

28) But from the Sketch it is obvious, that a site behind the house of Sri Kotrappa is given not to Kotrappa but to a third party namely K-B. Veerappa It will naturally be very annoying to Sri K-B Veerappa Kotrappa Does not know how the other party Sri K-B Veerappa

89) The contention of the appellant (Petitioner) in support of his claim is that the Vacant Municipal land marked A & B in the Sketch should have been given to him in preference to the two respondents (1) Sri V B Veeraiah (2) A Somanaiah for the following reasons' —

(1) That the Vacant land (A & B) is adjacent to his house No 5 34

(2) Grant of the land to the respondents will result in closing ingress and egress of the petitioner to the Conservancy —

(3) That the petitioner would be put to considerable loss and inconvenience if the sites are granted to the respondents

(4) The Vacant land has been given to the respondents definitely to the inconvenience of the petitioner and for a petty price in view of the influence used by the respondents & first respondent Sri V B Veeraiah is a Municipal Councillor Etc

(5) The petitioner is prepared to abide by any upset price that Government may fix Etc.

90) From the Sketch now produced from the Municipal Commissioner, the ownership of the two temporary Sheds behind D No. 5 34 (petitioner's house) and that of

Note —Contn Sheet

upon Space behind the first Shed cannot be made out. This information is essential for a decision having bearing in the matter. The letter of the Municipal Commissioners in this behalf is for perusal. It is reported herein that the ownership of the Vacant land marked C is disputed between the petitioner Sri Yellappa and one Sri. C. S. Narayana Setty. A decision as to the ownership of this disputed land C will have a ~~bearing~~ direct and essential bearing on the subject as it will decide whether or not the Vacant land B should go to the petitioner Sri Yellappa. If it is adjudged that the petitioner is not to be the owner of land C he will necessarily have no justifiable claim for the grant of land B as it will not then form an engress to his house No 534. It will be worse in case Sri Yellappa is not the owner of the two temporary Sheds adjoined in the Shed. In case the petitioner is adjudged as not having ownership of land C and he is also not the owner of temporary Sheds adjoined in the Shed, he cannot be held to have any justifiable claim for the grant of Vacant land B or A now granted to Sriyuths V.B Veeraffa and A Eswaraffa respectively

The above said points which are very relevant to the case have yet to be clarified during the hearing—

91) The Sketch however shows that the layout of the area adjoining Nagaram is very bad Shop Sites appear to have been converted into building Sites It is difficult to make out how a neighbour could have vacant Site behind the house of another and for what useful purpose

92) Third respondent is also invited to the notice orders in paras 14-22, 25-30 wherein the facts of the case and the legal positi are explained—

93) A note from the P.A. to the Appellate for D.S.P. was circulated today to the effe that all the appeal cases may be posted for hearing on 29.5.3 from 2-0 P.M. if is for final orders if this case may also be posted for the same day

Veerappa may cause annoyance or injury to him

96 Even supposing that the disputed portion belong to Sri Kotrappa and that the Hl cl has given the portion marked "B" to Sri KB Veerappa, has Govt power to interfere with the Resolution of the cl and modify the Resolution? This is the crucial point for decision

97 Under the Controlling powers of Govt the D c has powers to suspend or prohibit, the Resolution of the cl or the doing of any act, under Section 218 of the City Hlths Act 1933. Then Govt will get power to modify the Resolution. If the D c has not passed orders under Section 218 of the CH Act, Govt cannot interfere with the present Resolution of the cl

98 The D c can suspend the Resolution of a city Hl cl only when

the Resolution or execution of any order of the Hl cl Causes or is likely to cause injury or annoyance to the Public or

2 When it will lead to a breach of the Peace

is not reported to the D The third impugned to the act of the resolution being unlawful, is not found Therefore there does not seem to be any ground even to the immediate Superior Controlling Authority to interfere Consequently even the Govt cannot interfere Therefore the best thing would be to leave the matter to the D C for such action as he deems necessary under Section 218 of the C H Act

100 There is another course of action open to Govt The Hl cl is competent to grant Sites at upset price when the value of the Sites is less than Rs 2000 If the Sites are more valuable, then the action of the cl will be wrong and Govt can interfere The exact market value of the Site will be ascertained

Under Section 207 of the Municipalities Act, the petitioner begs to prefer this petition against the resolution passed by the Davangere City Municipality, at a meeting held on 28-6-1952 and granting the vacant portion of the lying in the conservancy portion behind their houses no 535 and 533/1 to 3 in IV Ward, old Hospital Road, Davangere and urges the following among other grounds of objection for the grant of the site

Facts of the case

The vacant site in question has been marked as B and A in the annexed sketch The blue pencil lines show the portion of the ~~petitioner's house~~ position of the petitioner's house The site in question is adjacent to the house of the petitioner There is no other outlet

except through the space A & B The space has been granted to respondents 1 and 2 by the 3rd respondent This petition arises out of the order passed by the City Municipal Council Davangere

Groundsof Objection

1 TheCouncil erred in not taking into consideration the fact that the site in question is a continuity of the petitioner's house

2 The Municipal Council erred in not taking into consideration that the fact that the petitioner will have no engress or ingress to the conservancy lane except through this vacant space and there is a door opening to the space B

3 The first respondent is a Municipal Councillor and it is through his influence the sites have been granted for a grossly inadequate sums of Rs 76/- only

4 The Municipal Council grossly erred in not taking into consideration the fact that the petitioner would be put to considerable loss and irreparable injury if the sites are granted to the respondents

5 The sites have been granted to the respondents out of spite and to harass and inconvenience the petitioner.

6 The petitioner is prepared to pay any upset price this Hon'ble Court may direct

Wherefore it is prayed that the site be marked in the sketch be granted to the petitioner and the grant in favour of the respondents 1 and 2 be cancelled
